7/ from the Comptroller, No. 117/35 98 Reports that the balance of 3 lakhs of Rupees on account of building grant was paid to the Committee On 30.6.08.

Dear Sir,

I am anxious
Dewan to write to you about
the Building Grant to the
Tata Research Institute. As
you are aware the Bombay
have paid 2 Lakhs this year
and there is a balance of
3 Lakhs to be paid out of
the grant promised by the
Bombay. In connection
with the budget arrangements
beginning on 1st July 08
for next year, the Dewan
wants to know whether the
any portion of the grant
will be required by you
during the period from 1st July 08
to 31st July 09

or whether the whole of the 3 lakhs may not be paid to the Institute after 1st July 09. The latter course would be convenient to the Durbar, but if any portion is necessarily wanted between 1st July 08 + 1st July 09, it would be more convenient to the Durbar to pay it immediately ie before 30 June 08 than thereafter. I shall feel much obliged if you will kindly let me have a reply to this letter ~~Dated~~ before Tomorrow evening, so that payment if necessary may be made

before Monday next

Yours faithfully

Bangalore, the 28th June

Dear Sir,

It is the intemtion of the Committee appoin by His Excellency the Viceroy to proceed with the construction the buildings and to purchase the equipment for the Institute w delay,and the amount of capital which will be spent during the next financial year will depend only upon the capability of the contractor to carry out the work rapidly. I cannot commit mysel to a statement that the further sum of three lakhs,promised by th Government of His Highness the Maharaja,will not be required ti after the 1st July,1909,

Yours faithfully,

Monis W Brown

With a view to balance the budget for 08 09 after providing for urgent & necessary items of expenditure it is found absolutely necessary to ~~[illegible]~~ postpone the grant of 3 lakhs to the Tata Institute to the year 1909-10 or to make the payment this year ie before 30 June 08. From the anticipations formed in the revised budget for 07-08, it is seen that a surplus of 12,49,000 is expected & there would be no difficulty in making payment of the whole of the three lakhs or any considerable portion thereof.

Dr Travers who was asked whether the whole of the grant could be put off till 1st July 09 but he says in reply that he is unable to commit himself to the statement that ~~[illegible]~~ such postponement is possible.

In the circs it is a matter for consideration whether the whole of the 3 lakhs or at any rate 2 lakhs must be paid before 30th June 08, leaving in the latter case 1 lakh to be provided for in the estimates of 1909-10.
